Dear Alumnus,

You are aware that Coimbatore Institute of Technology (CIT) was established in 1956 in line with Massachusetts Institute of Technology (MIT) by V. Rangasamy Naidu Educational Trust with the noble aim of disseminating knowledge in the fields of science, engineering and technology to the society at large. Since then the Institute has been the ladder to life ambitions to many of you who have made a mark in your chosen field. I am happy to inform you that CIT Alumni Association is organizing an exhibition exclusively for the display and demonstration of the products of alumni-entrepreneurs of CIT Institutions to commemorate the Golden Jubilee Year of CIT Alumni Association.

My hearty welcome to you to participate in the exhibition and make it a success.

Dr.R.Prabhakar
Secretary
CIT Institutions

Dear Alumnus,

The Founder-Principal of Coimbatore Institute of Technology (CIT), Prof.P.R.Ramakrishnan envisioned a unique professional learning order with special emphasis on industrial training and entrepreneurship. His noble vision has taken deep roots as we find a significant number of CIT alumni are entrepreneurs today. It will not be wrong to say that the atmosphere, freedom and good teaching available at CIT is a major plus to the graduates of CIT who step into the real world after graduation. We will be doing a great justice if we can show case our achievements on the occasion of the first Golden Jubilee Reunion.

I am sure that the conduct of this exhibition (display of the products of CIT Alumni) befitting the vision of Prof.P.R.Ramakrishnan would be the right path.

Hence, I request you to take part in this event which will be a motivation and encouragement to the future alumni and to show case your achievements to the society.
