About the Institution

Coimbatore Institute of Technology was founded in the year 1956 with the noble aim of disseminating knowledge in the fields of science, engineering and technology to the student community. CIT is a Government-aided institution, recognized by the All India Council for Technical Education. The Institute was granted autonomous status in the year 1987 and is accredited by the National Board of Accreditation. CIT offers 10 Under Graduate Academic Programmes and 7 Post Graduate Academic Programmes in addition to M.S and Ph.D. Research programmes. The college celebrated its Golden Jubilee in the year 2006 with A.P.J Abdul Kalam, the then President of India as the guest of honour. CIT was awarded with star news awards under the category National B-school awards 2011 for outstanding engineering institution.

Objectives of the FDP

- * To analyze the current trends in the cultural dimensions of innovation and the role of leaders in building an innovative culture in their organization.
- * To comprehend the key drivers of innovation in modern organizations and ways to catalyze the process.
- * To enable the participants to assess the teams and their own performance.

The Programme

Leadership involves the appropriate utilization of assets and resources to achieve collective goals and objectives. The appropriate utilization of human resources is essential to this process. Creating a challenging and conducive environment for innovation as well as using innovative leadership techniques is crucial to appropriate utilization of resources to achieve common goals. Among all resources, only human resources can increase their capability to create value. The capacity of resources like machines, money and materials can only increase when man(HR) applies his/her ingenuity to them. This FDP is therefore designed to equip participants with the knowledge and skills to create a work environment that stimulates their innovative and management initiatives.
