ORGANIZING COMMITTEE

Chief Patron

Dr. S. R. K. Prasad

Correspondent,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

Patron

Dr. R. Prabhakar

Professor Emeritus & Secretary,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

President

Dr. V. Selladurai

Principal,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

Chairman

Dr.M.Thirumarimurugan

Associate Professor & Head,
Department of Chemical Engineering,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

Co-Chairs

Dr.A.Sivalingam, Associate Professor

Dr.D.Prabhakaran, Associate Professor

Department of Chemical Engineering,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

TEQIP –II Sponsored

**One Week Faculty Development
Programme**

On

**GREEN INITIATIVES AND NANOTECHNOLOGY IN
ENERGY, ENVIRONMENT & HEALTH**

19 - 25th September 2014

Organized by

**Department of Chemical Engineering
COIMBATORE INSTITUTE OF TECHNOLOGY**

(A Govt. aided autonomous Institution affiliated to
Anna University, Chennai)

THE INSTITUTE

Coimbatore Institute of Technology (CIT) is a Government Aided Autonomous Institution started in the year 1956. It is affiliated to Anna University, Chennai. CIT has grown into a centre for academic and research excellence. The Institute has signed a number of MOUs with various universities like Oklahoma State University (USA), Texas Tech. USA and MNCs like IBM, Novell, Robert Bosch and AMD for faculty exchange, student exchange and research collaborations. The institute offers undergraduate, post graduate and research courses in various disciplines of engineering and technology.

THE DEPARTMENT

Chemical Engineering department was established in the year 1963 and in the year 1971 the Postgraduate programme leading to M.Tech (Chemical Engineering) was started. The department is also recognized for research programmes leading to Ph.D. in Chemical Engineering since 1972. The department has undertaken and successfully completed research projects funded by various funding agencies like AICTE, UGC, CSIR and TNSCST. The department has entered into collaborative programmes with various research organizations like CECRI, ONGC and industries for carrying out project works, research, consultancy and testing services. All the laboratories of the department are fully equipped with modern analytical equipment & instruments to carry out projects in the undergraduate, postgraduate and research levels.

THEME

The objective of this faculty development programme is to update and share the knowledge on the latest Green Initiatives in Energy, Environment & Health based on recent research experience gained by the experts from either industry or academia and also to address the challenges and opportunities. This programme is highly interactive, with a focus on case studies to illustrate the key provisions of knowledge that are essential for researchers in various Engineering disciplines. It will cover the full list of application of Nanotechnology and green concepts crucial to Energy, Environment and Health sector with focus on specific projects so as to benefit the Society and Environment at large.

RESOURCE PERSONS

Experts and Eminent personalities from Leading Research Centre's, Academic Institutions and from other related Industries.

REGISTRATION FEES

Faculty from AICTE approved Institutions are eligible to participate in the programme. The total intake is restricted to 30.

Registration Fee: Rs 1000/=

Kindly fill the attached registration form and mail it to coordinators on or before **12th September 2014**. Selected participants will be confirmed by email on **13th September 2014**. As seats are limited, early registration is recommended. The participants are requested to make their own arrangement for accommodation. No TA/DA will be provided.

Registration Form

TEQIP –II Sponsored One Week Faculty Development Programme

GREEN INITIATIVES AND NANOTECHNOLOGY IN ENERGY, ENVIRONMENT & HEALTH 19 - 25th September 2014
