ORGANIZING COMMITTEE

Chief Patron

Dr. S. R. K. Prasad

Correspondent,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

Patron

Dr. R. Prabhakar

Professor Emeritus & Secretary,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

Chair

Dr. V. Selladurai

Principal,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

Co Chair

Prof.Dr.T.Kannadasan

Professor & Head
Department of Chemical Engineering,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

Coordinators

Dr. A.Sivalingam, Associate Professor

Dr. M. Thirumarimurugan, Associate Professor

Department of Chemical Engineering,
Coimbatore Institute of Technology,
Coimbatore – 641 014, India

Members:

Dr. D. Prabhakaran, Associate Professor

Dr. V. M. Sivakumar, Assistant Professor

Mr.P.Babu, Assistant Professor

Mr.S.P.Selvabharathi, Assistant Professor

Mr.A.Gnanaprakasam, Assistant Professor

Mr.P.Sivakumar, Assistant Professor

Mr.A.Vivek Joe Bharath, Assistant Professor

**TEQIP Sponsored
Faculty Development Programme**

On

**RECENT DESIGN CONCEPTS OF HEAT TRANSFER
EQUIPMENTS IN REFINERIES, FERTILIZERS AND
ALLIED INDUSTRIES**

17th August 2013

Organized by

**Department of Chemical Engineering
COIMBATORE INSTITUTE OF TECHNOLOGY**
(A Govt. aided autonomous Institution affiliated to
Anna University, Chennai)
**COIMBATORE- 641 014
TAMIL NADU INDIA**
Phone: (0422) 2574071 & 2574072.
Fax: (0422) 2575020

THE INSTITUTE:

Coimbatore Institute of Technology is a Government Aided Autonomous Institution started in the year 1956. It is affiliated to Anna University, Chennai. CIT has grown into a centre for academic and research excellence. The Institute has signed a number of MOUs with various universities like Oklahoma State University (USA), Texas Tech. USA and MNCs like IBM, Novell, Robert Bosch for faculty exchange, student exchange and research collaborations. Institute offers undergraduate, post graduate and research courses in various disciplines of Engineering and Technology.

THE DEPARTMENT:

Chemical Engineering department was established in the year 1963 and in 1971 the Postgraduate programme leading to M.Tech (Chemical Engineering) was started. The department is also recognized for research programmes leading to Ph.D. in Chemical Engineering since 1972. The department has undertaken and successfully completed research projects funded by various funding agencies like AICTE, UGC, CSIR and TNSCST. The department has entered into collaborative programmes with various research organizations like CECRI, ONGC and industries for carrying out project works, research, consultancy and testing services. All the laboratories of the department are fully equipped with modern analytical equipment & instruments to carry out projects in the undergraduate, postgraduate and research levels.

THEME:

In the process industries like Petroleum Refineries, Petrochemical Industries, Fertilizer Industries, etc, heat transfer equipment are grouped under one sub heading under the major heading of Static Equipment. These Heat transfer equipment as a group constitutes about 10 to 15% of the total cost in a typical refinery. The workshop explores the concepts behind the development and industrial applications of heat transfer equipments. This intensive workshop is highly interactive, with a focus on concept and applications to illustrate the key provisions of knowledge that are essential for development of new design concepts

RESOURCE PERSON:

**Er.K.Periasamy,
Head- Static Equipment Group,
Petrofac Saudi Arabia Ltd,
Al Khobar, Saudi Arabia.
(Plot No: 18, Srisai nagar,
Thoraipakkam, Chennai-600097)**

REGISTRATION:

For participants from Industries : Rs.2000/-
From Academic Institutions : Rs.500/-

The fee includes admission to the technical session, lunch and refreshments. Kindly fill the attached registration form and mail it to coordinators on or before **9th August 2013**. Selected participants will be confirmed by email on **12th August 2013**. As seats are limited, early registration is recommended.
