### ABOUT THE COLLEGE

The V. Rangasamy Naidu Educational Trust devoted to the cause of promoting Technical and Scientific Literacy, established Coimbatore Institute of Technology (CIT) in 1956. CIT is one of the most reputed and prestigious educational institutions in South India. The Institute driven by world class research and development attained autonomous status in 1987 and is affiliated to Anna University of Technology. The Institute features strong Academic-Industrial Interaction and a high quality of research and consultancy. CIT, managed by a pedigreed lineage for the past 56 years, enjoys international repute. The Institute has the services of competent and qualified faculty, and the guidance of a visionary management to enhance the quality of education at all levels and maintains its pre-eminent position in emerging globalization.

### ABOUT THE DEPARTMENT

The Department of Electronics & Communication Engineering was established in the year 1968. It has been very well equipped with highly commendable facilities and is effectively guided by a set of devoted and diligent staff members. The department offers both Under Graduate and Post Graduate programmes in Communication Engineering. There are currently 7 ongoing funded projects in the department. The department conducts conferences, workshops and FDPs on a regular basis. The department has been awarded 'A' grade by National Board of Accreditation.

### ABOUT THE FDP

The FDP will provide an overview of RF basics, design concepts, methods and applications of RF and Microstrip antennas, Microstrip lines, RF MEMS, RFID, RF circuits, filters and mixers,

The purpose of this FDP is to provide a high-quality forum for teachers from academia to learn the basics and design concepts of RF systems, Antennae, Micro-strip lines, RF MEMS and RFID and exchange information regarding advancements in the state of the art, as well as to identify the emerging research topics, open problems, and to define the future of Millimeter wave communication.
