ABOUT CIT

Coimbatore Institute of Technology (CIT) started in 1956 by Sri.V. Rangasamy Naidu is reckoned for its academic excellence in engineering and technology. CIT is a Government Aided Autonomous Institution affiliated to Anna University, Chennai. CIT offers under graduate, post graduate and PhD programmes with a global standard curriculum promoting the students to compete internationally. The institute has celebrated its Golden Jubilee in the year 2006 and all the courses are accredited by NBA. The institute has collaborated with leading frontier universities and industries in India and abroad for the promotion of innovative engineering ideas. CIT has laurel foliage on the head as an emblem of victory. Recently, CIT has been awarded with the "Bizz-2013" the world business leader award and "ABB News National B-School award" for outstanding Engineering Institution in South India.

ABOUT DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering is one of the earliest departments in CIT which offers under graduate, post graduate and PhD programmes. Many of the faculty members have received advanced degrees and training from reputed institutions. Many of our alumni hold prestigious positions in leading academic institutions, industry and government in different countries all over the world.

FACULTY OF CIVIL ENGINEERING

The faculty members of the department are dedicated to work in the current needs of the industry and have the ability to improve their expertise in field of Civil Engineering. They continuously excel in specialized areas of Structural Engineering, Concrete Technology, Transportation Engineering, Earthquake Engineering, Construction Management, Environmental Engineering, Geotechnical Engineering, Water Resources Engineering, Quantity Surveying, Surveying and Construction Engineering.

ABOUT THE COURSE

The course will cover various aspects in Planning, Analysis and Design of Water Resources Projects with emphasis on Hydrologic Analysis and Irrigation Water Requirement and Management

OBJECTIVE OF THE PROGRAMME

- ❖ To understand and relish the various aspects of water requirements for agriculture
- ❖ To have an understanding of the availability of Water Resources through Hydrologic Analysis
- ❖ To have a knowledge about the various Water Resources Projects especially in Tamil Nadu
- ❖ To have an understanding about the design and construction aspects of various hydraulic structures

ELIGIBILITY AND SELECTION

Faculty and Research Scholars in the field of Civil Engineering from AICTE approved Institutions duly sponsored by the Head of the Institution are eligible attend the course. The total intake is restricted to 30 and selection will be based on first come first served basis among those who applied before the last date for receipt of duly forwarded application.

Attendance on all days of the course is compulsory. No excuses will be entertained.

ALLOWANCE AND ACCOMODATION

- ❖ No TA/DA will be paid.
- ❖ No Lodging will be provided by the organizing Institute
- ❖ Working Lunch and Tea will be provided during the Course
- ❖ A Registration fee (in the form of DEMAND DRAFT for Rs. 500/- (Rupees one thousand only) drawn in favour of "THE PRINCIPAL, CIT, Coimbatore - 641 014", payable at Coimbatore is to be sent along with the registration form.

IMPORTANT DATES

- Last Date for Receipt of Duly forwarded Application along with Registration Fee: **30/09/2014**
- Intimation to selected participants: **06/10/2014**
