**ABOUT THE INSTITUTE**

Coimbatore Institute of Technology was founded in the year 1956 by V.Rangaswamy Naidu Educational Trust (VRET) with the noble aim of disseminating knowledge in the fields of science, engineering and technology to the student community. CIT is one of the most reputed and prestigious educational institutions in South India. The Institute backed by World Class research and development attained autonomous status in 1987 and is accredited by the National Board of Accreditation (NBA). The Institute strives to inculcate a sound knowledge in engineering along with realised social responsibilities to enable its students to combat the current and impending challenges faced by our country and to extend their expertise to the global arena.

**THE DEPARTMENT**

Electrical and Electronics Engineering department was established in the year 1956. The department offers under graduate programme, two post graduate programmes and research programmes. The department has a team of well qualified faculty members having vast experiences in various Engineering and Technology with specialization in the areas like Power Electronics, Power Systems, Control System and Embedded System. The department has undertaken and successfully completed research projects funded by various funding agencies like AICTE, UGC, CSIR and DST.

**ELIGIBILITY AND SELECTION**

This programme is open to the faculty members of various departments of AICTE approved Engineering, Polytechnic Colleges and from Industries/Research Organizations. The total intake is 30 and selection will be based on first come first served basis.

**REGISTRATION**

The application form duly filled along with the registration fee in the form of DD drawn in favour of "The Principal, CIT" payable at Coimbatore, for Rs.1000 (for faculty members from AICTE approved institutions which is non-refundable on completion of the programme) and Rs.2,000 (for working professionals from Industries/ Research Organizations) should reach the address mentioned below not later than 16.09.2013. The selected participant will be intimated through e-mail on 20.09.2013.

**OBJECTIVES**

- To provide a forum for exchange and discussion about the most relevant issues in the field of distributed power generation that will make a global movement towards sustainable energy development.
- To provide an opportunity to stay up on the latest technological advancements and to meet the power demand in the Power and Energy industry and to carry out the innovative research activities in this area.

**REGISTRATION FORM**
