27-06-2018

COIMBATORE INSTITUTE OF TECHNOLOGY

(Govt. Aided Autonomous Institution Affiliated to Anna
University, Chennai)
Coimbatore - 641 014, Tamil Nadu, India

ABOUT CIT

Coimbatore Institute of Technology (CIT) was founded in the year 1956 by V. Rangaswamy Naidu Educational Trust (VRET) with the noble aim of disseminating knowledge in the fields of science, engineering and technology to the student community. The Institute has been recognized as one of the Teaching Learning Centre (TLC) by MHRD under the Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNTT) scheme.

ABOUT TLC

The main goal of Teaching Learning Centre (TLC) is to achieve academic excellence in imparting teaching-learning techniques to faculty members of technical institutions.

MISSION

- Provide training in pedagogy to young faculty
- Offer Management Capacity Enhancement Programme (MCEP) to senior faculty
- Expose the faculty to state of the art techniques relating to assessment and evaluation
- Prepare the faculty to offer holistic training to the students
- Groom faculty to maintain/practice high ethical standards in the teaching-learning process

OBJECTIVES

- To improve technical content of faculty in technical institutions across the geographical region.
- To motivate faculty for higher learning and involve in research
- To disseminate novel project ideas and to discuss latest updates/developments in subjects
- To improve effective teaching/presentation and analytical skills
- To prepare industry-relevant course contents
- To offer supplementary tools – Tutorials (Hands on Training)
- To make demos for specific requirements of faculty and to impart time management skills

WORKSHOP OBJECTIVE

The AICTE model curriculum 2018 has been framed to meet the expectations of an academically challenging environment, develop problem-solving skills by students in align with current standards and to enrich the students learning to make them self-enablers or match job requirements on successful completion of their degree. The objective of this workshop is to make the participants understand and appreciate the philosophy and need for adopting the new model curriculum 2018.

RESOURCE PERSON

Dr. M.G.P. Prasad, Professor and Dean (Academic Affairs), Department of Mathematics, Indian Institute of Technology Guwahati and Dr. J. Jayakumar, Professor, Department of Mathematics, Pondicherry Engineering College will be the resource persons for the workshop. They are the academic experts who immensely contributed in framing the outcome based AICTE Model Curriculum 2018 which mainly focuses in enhancing the quality of the Engineering students.

PARTICIPANTS

The HODs, Senior Professors, Professors and Board of Studies coordinators of Autonomous Institutes, the faculty members from leading Engineering Institutions on an invitation basis.
