

ORGANIZING COMMITTEE

Chief Patrons

Dr. S.R.K. Prasad
Correspondent, CIT Institutions
Coimbatore – 641 014, India

Shri. S. Rajiv Rangasami
Director, CIT Institutions
Coimbatore – 641 014, India

Patron

Dr. R. Prabhakar
Secretary, CIT Institutions
Coimbatore – 641 014, India

President

Dr. V. Selladurai
Principal, CIT Institutions
Coimbatore – 641 014, India

Vice-President

Dr. M. Thirumarimurugan
Professor & Head
Department of Chemical Engineering
Coimbatore Institute of Technology
Coimbatore -641 014, India

Members

Dr. D. Prabhakaran
Dr. V.M. Sivakumar
Dr. T. Sivakumar
Mr. P. Babu
Dr. A. Gnanaprakasam
Mr. A. Vivek Joe Bharath
Mr. E. Sudalai Manikandan
Ms. R. Aishwarya
Ms. Nisha Subash
Dr. B. Uma Maheswari
Ms. J. Deepika

Coordinator

Dr. M. Thirumarimurugan
Professor & Head

Co-Coordinators

Dr. R. Azarudeen <i>Associate Professor</i>	Dr. P. Sivakumar <i>Assistant Professor</i>
Department of Chemical Engineering Coimbatore Institute of Technology Coimbatore - 641 014 India

ATAL Academy Sponsored Faculty Development Programme on RECENT TRENDS IN CLEAN TECHNOLOGY FOR SUSTAINABLE ENVIRONMENT (RTICT 2021)

18 – 22, January 2021

Coordinator
Dr. M. THIRUMARIMURUGAN

Co-Coordinators
Dr. R. AZARUDEEN
Dr. P. SIVAKUMAR

Organized by
Department of Chemical Engineering
COIMBATORE INSTITUTE OF TECHNOLOGY
(Government Aided Autonomous Institution)
Coimbatore - 641 014, Tamil Nadu, India
www.cit.edu.in

ABOUT CIT

Coimbatore Institute of Technology is a Government Aided Autonomous Institution started in the year 1956. It is affiliated to Anna University, Chennai. Institute has grown from strength to strength and has become a center for academic and research excellence in various disciplines of Science, Engineering and Technology. National Board of Accreditation, New Delhi has accredited UG and PG Programmes of the Institute.

ABOUT THE DEPARTMENT

Chemical Engineering Department was established in the year 1963 and in the year 1971, the Postgraduate programme (M.Tech. Chemical Engineering) was started. The department is also recognized for research programmes leading to Ph.D. in Chemical Engineering since 1972. The Department has successfully completed research projects funded by various funding agencies like AICTE, UGC, CSIR and TNSCST. The department has entered into collaborative programmes with various research organizations and industries for carrying out project works, research, consultancy and testing services. All the laboratories of the department are fully equipped with modern analytical equipment & instruments to carry out projects in the undergraduate, postgraduate and research levels.

ABOUT THE PROGRAMME

Clean technology refers to any process, product, or service that reduces negative environmental impacts through significant energy efficiency improvements, sustainable use of resources, or environmental protection activities. It includes a broad range of technology related to recycling of wastes, renewable energy technologies and an environmental method by which the clean technology projects that has proven that they are "additional" or "beyond business as usual" can obtain the generation of carbon credits. The topics covered in the programme are

- Industrial wastewater treatment
- Membrane separations
- Solid / liquid waste management
- E-waste management
- Materials for environment remediation

REGISTRATION

- No registration fee.
- Participants are requested to register through ATAL web portal. <https://atalacademy.aicte-india.org/login>
- Certificates of participation will be issued only to those who secured more than 80% attendance & 60% in test.

Deadline for Registration : 31.12.2020
Intimation of Selection : 03.01.2021

WHO CAN ATTEND

Faculty members from AICTE approved colleges / institutions are eligible to participate in the programme. The total number of participants is restricted to 200 and selection will be based on first come first serve basis.

SPEAKERS

Dr. G. Pugazhenth

*Dept. of Chemical Engineering
IIT Guwahati*

Dr. Subrahmanyam

*Dept. of Chemistry
IIT Hyderabad*

Dr. P. Shanmugam

*Senior Principal Scientist
CLRI, Chennai*

Dr. G. Sekaran

*Former Chief Scientist
CLRI, Chennai*

Dr. G. Arthanareeswaran

*Dept. of Chemical Engineering
NIT, Tiruchirappalli*

Dr. T. Sivasankar

*Dept. of Chemical Engineering
NIT, Tiruchirappalli*

Dr. V. Sivakumar

*Dept. of Chemical Engineering
Anna University, Chennai*
