

A REPORT ON
TEQIP (PHASE II) SPONSORED
NATIONAL CONFERENCE ON
**ELECTRONICS, SIGNAL PROCESSING, COMMUNICATION AND
EMBEDDED SYSTEMS**

During 27th -28th FEBRUARY 2014

TEQIP (Phase II) sponsored National Conference on “Electronics, Signal Processing, Communication and Embedded Systems” was conducted by the Department of ECE, Coimbatore Institute of Technology during 27th -28th February 2014.

The Organizing Secretaries of this National Conference are:

Ms.G.Puvaneswari, Assistant Professor (SG), Department of ECE, CIT

Ms.R.Kalaivani, Assistant Professor, Department of ECE, CIT

Ms.P.Kalaivani, Assistant Professor, Department of ECE, CIT.

The Inaugural function of this National Conference was held on 27th February 2014 in Main Building A/C conference hall at 9.30am. **Dr.C.P.Ravikumar**, Technical Director of University Relations, Texas Instruments, Bangalore was the chief guest of the function. **Dr.V.Selladurai**, Principal, CIT presided over the function. **Dr.A.Rajeswari**, Professor &HOD welcome the gathering. **Dr.N.Murugan**, Professor &TEQIP coordinator, CIT presented the felicitation address. **Ms.G.Puvaneswari**, Assistant Professor (SG) delivered an overview of the conference and **Ms.R.Kalaivani**, Assistant Professor presented the vote of thanks.

The TEQIP (Phase II) National Conference on Electronics, Signal Processing, Communication & Embedded Systems is designed to explore and analyze the challenges & issues that the industry is facing today. The conference provides a platform for academicians, scientists, industrial experts and research professionals to discuss & share new ideas developed in the field of Electronics, Signal Processing, Communication & Embedded Systems for the better growth of the industry. The conference will help the participants to know about the future opportunities in the field of Electronics, Signal Processing, Communication and Embedded Systems. The conference is designed to have sessions with key note addresses in the emerging areas, technical papers on recent developments, interaction with R&D establishments.

EXPERT MEMBERS FROM INDUSTRIES

27.2.2014:Dr.C.P.Ravikumar, Technical Director of University Relations, Texas Instruments, Bangalore delivered key note lecture on “Internet of Embedded Systems”

27.2.2014 :Mr.B.Mutharasu, Project Manager, DGS-ECU HW Engineering for GM, ROBERT BOSCH Engineering and Business Solutions Ltd. ,Coimbatore delivered Technical Talk on “Embedded Systems”

28.2.2014 : Mr.Jeyasingh Pathrose, Chief Technical Officer, Jasmin Infotech Pvt. Ltd., Chennai delivered Technical Talk on “Technologies for Automotive, Home and Healthcare”.

The participants had gained knowledge on conference theme. Over 40 participants from various institutions attended the programme.
