Department of Controller of Examination
COIMBATORE INSTITUTE OF TECHNOLOGY
(A Government Aided Autonomous Institution)
COIMBATORE - 641 014, TAMILNADU, INDIA
THE HOST INSTITUTION
Coimbatore Institute of Technology was established in the year 1956 with a vision of churning out young minds, to cater to the demand of ultra-globalized world. It aspires on the mission to impart high quality education to students and mould them into world-class Engineers. It attempts in venturing qualitative education which enables an individual to blossom into holistic engineers. The institute was granted autonomous status in the year 1987 and is accredited by the National Board of Accreditation. CIT offers 10 Under Graduates and 12 Post Graduates Academic Programmes in addition to M.S. and Ph.D. Research Programmes. The college celebrated its Golden Jubilee in the year 2006 presided by Dr. A.P.J. Abdul Kalam, the then President of India as the guest of honour.

ABOUT THE DEPARTMENT
Coimbatore Institute of Technology was granted Autonomous status in the year 1987. Initially C.I.T was affiliated to Bharathiar University and currently it is affiliated to Anna University. Right from its inception the Department has taken charge of conducting all examination activities and has executed it meticulously. The Department is tech-savvy and has brought a lot of modifications and executes a holistic perfect system in the examination scenario.

OBJECTIVE
The workshop aims at disseminating techniques for identifying the basic concepts in principles of evaluation. It focuses on table of specifications for an achievement test and characteristics of a good test. It helps to set quality oriented question paper thereby providing proper guidance in the practicing sessions. The principle of evaluation and guidelines necessary for structuring an essay type question will also be dealt with.

TOPICS TO BE COVERED
- To highlight the principles involved in evaluating students performance
- To provide an insight on the characteristics of a good test
- To formulate a table of specification for an achievement test
- To produce structured Essay type and Short answer questions
- To critically analyze a full question paper.
