ABOUT THE COLLEGE
Coimbatore Institute of Technology was established in the year 1956 with a vision of churning out young minds, to cater to the demand of ultra-globalized world. It aspires on the mission to impart high quality education to students and mould them into world-class Engineers. It attempts in venturing qualitative education which enables an individual to blossom into holistic engineers. The institute was granted autonomous status in the year 1987 and is accredited by the National Board of Accreditation. CIT offers 10 Under Graduates and 7 Post Graduates Academic Programmes in addition to M.S. and Ph.D. Research Programmes. The college celebrated its Golden Jubilee in the year 2006 presided by Dr. A. P. J. Abdul Kalam, the then President of India as the guest of honour.

ABOUT THE DEPARTMENT
The Department of Humanities plays a vital role in laying a strong foundation for the juvenile minds by strengthening their communicative proficiency. Our educators cling on to the modern technical communicative mode there by facilitating the students in their linguistic skills. In addition to this, the department has signed a MoU with the British Council and it organizes Business English Certificate Course in collaboration with British Council. Special attention is provided to students from the rural sector by providing Remedial English Course training, thereby assisting them to take their lead in the competitive world. Economics and management is being developed as a centre for excellence, imparting quality education and generating competent, skilled resources to face the scientific, technological, managerial and social challenges in the fast evolving global scenario, with the high degree of credibility, integrity, to face the most difficult issues across the multi-disciplinary work environment with ease. The department also organizes seminars, workshops, and symposiums on a regular basis.

THEME OF THE WORKSHOP
It aims at disseminating new knowledge in the field of Globalized Economy and how globalization has affected the economy at both National and International levels. It has resulted in a new financial structure. It also provides a forum for deliberations and exchange of knowledge among academicians and researchers. The programme also highlights the current business disorders.
