ORGANIZING COMMITTEE
Chief Person
Dr. S. K. Prasad
Correspondent, CIT institutions.
Patron
Dr. G. Prabhakar
Professor & Dean, CIT institutions.
National Coordinator
Dr. V. Balakrishna
Professor & Head, Department of Mathematics, CIT institutions.
Organizing Secretary
Dr. R. Siva Prasada
Professor & Head, Department of Mathematics, CIT institutions.
Co-ordinators
Dr. K. V. S. Prasad
Dr. K. Ganapathy
Assistant Professor, Department of Mathematics, CIT institutions.

SESSIONS AND RESOURCE PEOPLE
The sessions will be handled by the following eminent
Professors:
Dr. K. Balasubramanyam
Professor, Department of Mathematics
University of Madras
Chennai - 600 005
Dr. R. Balasubramanyam
Professor, Department of Mathematics
University of Madras
Chennai - 600 005
Dr. A. Anjali
Associate Professor
Department of Physics
M S University
CIT, Coimbatore

SPONSORSHIP CERTIFICATE
Is the employer of our Institute/Department and hereby sponsors for the above workshop. He/she will be permitted to attend the programme positively, if selected.

Place: 
Date: 
Signature of the Head of the Institution with seal

ORIENTEERING
This Workshop will focus on the emerging concepts of Differential Equations and its applications and highlights the importance of it to create a pool of skilled mathematicians to support the advancement of science and technology in general and mathematics in particular for the development of the society.

ELIGIBILITY
Faculty members and Research Scholars of all affiliated colleges/Universities are eligible to apply for the program.

ABOUT THE INSTITUTE
The Dr. B. S. Rajaratnam Educational Trust devoted to the cause of promoting Technical and Scientific Literacy, established CHIMBORAZI INSTITUTE OF TECHNOLOGY, popularly known as CIT in 1955, with Sir J. V. Rajaratnam, Chairman of HTLSA, as the founder principal. The institute has grown from strength to strength and attained autonomous status in 1997. The institute, affiliated to the Anna University, offers Bachelors, Masters and Doctoral programmes in various disciplines. The institute has signed MoUs with various foreign universities and MNCs across the world for faculty exchange programmes, student sponsoring and research collaborations.

ABOUT THE DEPARTMENT
The Department of Mathematics is committed to high standard of academic excellence and aims to provide the students the adequate knowledge and exposure to the forefront of the development in the field of Mathematics. The staff members are specialized in the areas of Topology, Partial Differential Equations, Reliability, Graph Theory, Fluid Dynamics and Stochastic Processes.
